Summary

Aspiring Data Scientist with a background in Electronics and hands-on experience in Python, SQL, Machine Learning, Deep Learning, and NLP. Experienced in developing projects such as Sentiment Analysis using RNN, YouTube Analytics, and customer segmentation. Familiar with data preprocessing, exploratory data analysis, model training, and evaluation. Eager to apply analytical and problem-solving skills to real-world data-driven challenges and contribute to a growth-oriented organization.

Education

Technical Education

- Integrated MSc in Electronics | CSJM University, Kanpur | 2024

School Education

- Class XII (PCM) | M.D.B.L. Inter College, Umari, Kanpur Nagar | UP Board| 82% | 2020
- Class X | M.D.B.L. Inter College, Umari, Kanpur Nagar | UP Board | 89% | 2018

Skill Set

- **Programming Languages:** Python, SQL
- **Data Analysis:** NumPy, Pandas, Matplotlib, Seaborn, Excel
- **Machine Learning:** Regression, Classification, Clustering, Model Evaluation
- **Deep Learning & NLP:** ANN, CNN, RNN, PyTorch, Sentiment Analysis
- **Generative AI:** LLMs, RAG, LangChain, ChromaDB
- **Software & Web Tools:** MATLAB, HTML, CSS, Flask, Streamlit, Git, GitHub
- **Hardware Skills:** Circuit Design, Breadboard Prototyping, Oscilloscope Usage, Microprocessor Kits
- **Core Electronics Subjects:** Digital and Analog Electronics, Signals and Systems, Analog and Digital Communication, Network Theory, Control Systems, VLSI
- **Soft Skills:** Problem-Solving, Teamwork, Time Management, Communication

Project

1. **YouTube analytics Dashboard** |Live demo| GitHub
   - Developed an interactive dashboard using Python and Streamlit to analyze YouTube channel data.
   - Deployed the application using Streamlit Community Cloud.
2. **Sentiment Analysis Using RNN** |Live demo| GitHub
   - Built a sentiment classification model using Recurrent Neural Networks (RNN) on the IMDB movie review dataset.
   - Achieved approximately 84% accuracy.
3. **Text Summarization Using T5**
   - Developed an NLP model using the T5 Transformer to generate concise summaries of text.
   - Performed text preprocessing and used Hugging Face Transformers for model training and text generation**.**

CERTIFICATION

Artificial Intelligence and Machine Learning (AI/ML)
Issued by: [APNA COLLEGE] | [2026] | [View Certificate]

Strengths

- Quick learner with a keen interest in staying updated on the latest technological advancements.
- Strong analytical and problem-solving abilities.
- Effective communication and teamwork skills.
- Dedicated and disciplined with a commitment to excellence.

Language

- HINDI
- ENGLISH

Hobbies

- Reading books
- Cycling
- Playing cricket
